## STAGS Swimming Pool Association (SSPA) 2018

St Albans Girls School students and their families are invited to join their school Swimming Pool Association. Please support this fabulous local amenity. The school's heated outdoor swimming pool is 23 metres long – your very own lido!

The water is clean and warm and the atmosphere is friendly and safe. During evenings, weekends and school holidays, students and their families can enjoy swimming sessions at the pool. There are busy, lively family sessions, and calm tranquil sessions for adults as the sun goes down. Alternatively, try swimming as the rain patters on the water – a unique experience. The pool is also available for private hire – details below.

**The 2018 swimming season runs from Saturday 5<sup>th</sup> May until Sunday 30<sup>th</sup> September**
