Be Brave not Perfect

St Albans Girls' School

Welcome to STAGS Sixth Form!

A key role of all Year 12 students here at STAGS is to use the leadership skills you have developed over the past five years to take on whole school leadership of the rest of the student body. For those of you who are new to STAGS we welcome the skills, ideas and experiences that you can bring from your previous school to help us to continue to improve.

Every student in Year 12 should be a leader in some way. Whether it is to help one form time per week with Reading Club or being the Head Student. There are roles to suit every talent from future entrepreneurs, developing skills to become a teacher or simply to learn how to work and lead a team of others.

Please note that you will need to put in an application for each role that you would like to take on by the deadline stated.

Also make sure that you write a formal letter of application and address it to the correct member of staff.

Lastly, remember the more involved you become during Year 12 with the wider school community the greater the memories that you will have of your time as a Sixth Form student. (Also these opportunities look very impressive on your CV or UCAS forms as well!).

Good luck and I look forward to working with you over the next twelve months.

Miss McHugh

Assistant Head Teacher: Student Leadership and Enterprise

St Albans Girls' School

Head Student

The Process

Students who would like to be Head Student need to apply in writing to Miss McHugh (Assistant Head Teacher: Student Leadership) by the end of school on **Friday 13 September**. **Please attach to your application a reference from a member of STAGS Staff.**

Each candidate will give a one minute presentation during Year 12 assembly on **Wednesday 18 September**. At the end of the assembly Year 12 students, Form Captains and Vice-Captains for Years 7-11 and school staff will vote for their choice of Head Student.

Following the initial application letter, staff and student vote, a shortlist will be created. Students on the short list will then be interviewed by Miss McHugh, Mrs Pipes and Mrs Chapman.

Job Description

The most important aspects of this post are linked to your ability to be the leader and representative of the students here at STAGS. To do this you must lead by example at all times, through your commitment to both your studies and wider school roles. You will also be required to act as an ambassador for the school within the wider community at public events. The following is a list of specific tasks and responsibilities, not all of which are glamorous, which the Head Student would be expected to carry out:

St Albans Girls' School

Additional Leadership Roles and Opportunities

These are all roles that you can do instead or in addition to other leadership roles

Student Mentor

To help provide the highest quality of support for all our students we ask Year 12s to mentor students in either Year 10 or 11. Your role will be to work with them in one form time per week. Often they will ask for advice on issues they are having with friends or at home. Sometimes it is to provide additional support and motivation to help them succeed in their GCSEs.

We will provide you with some training on mentoring others and what to do if you are worried about any information that your mentee shares.

To become a mentor please email Miss McHugh emh@stags.herts.sch.uk by Monday 16 September. All applicants for mentoring will be accepted as we need lots of volunteers.

Harmony

Under the guidance of the Student Support Captains we need a team of students to provide one lunch time per week to support the Harmony club. Harmony is a drop-in club for younger students. Usually the Year 12s organise games, films and other activities for the students to take part in. The purpose is to create a safe environment for those students who feel vulnerable or are struggling with friendship issues. Usually the club runs one lunch time per week, however this can vary depending on its popularity.

We will provide you with some training on mentoring others and what to do if you are worried about any information that students share at Harmony.

To become a leader of Harmony please email Miss McHugh, emh@stags.herts.sch.uk by Monday 16 September. We require 20 volunteers for Harmony, and you can be both a mentor and member of Harmony.

St Albans Girls' School

Literacy Buddies

Literacy Buddies volunteer one form time per week to listen to a younger student reading. The younger students have been selected as they struggle with reading, so volunteers need to be very patient with them. We also need you to be very reliable so that each student's Buddy is there each week.

If you would like to volunteer to be a Literacy Buddy please see Mrs Elliott-Brown, Assistant SENCO.

St Albans Girls' School

Board Game Club

Each year we have a small number of students who need additional support to develop their social skills. To support them we will be offering a Board Game Club and require Year 12s to lead this.

The group would be small and you would be required to meet them at the end of lesson 4, help them to collect or purchase their lunch and bring them to the club. The purpose is to help them develop skills like sharing, working with others, and building up their confidence to communicate with other students. This would be one lunch time per week.

To be a leader of the Game Board Club please see Mrs Elliott Brown, Assistant SENCO.

Gardening Club

STAGS is very proud of the school garden and the array of vegetables and fruits that it produces each year.

This year we would like each House to take responsibility for a section of the garden. To do this we require Year 12s (minimum 1 per House) to support younger students one lunch per week (more frequently in summer) to sow, care and harvest different plants in the garden. There will be House Points available for the best garden(s) and gardener(s).

To lead the Gardening Club for your House please contact Mrs W Hewitt.

St Albans Girls' School

Enterprise Opportunities at STAGS Young Enterprise Company Programme

Young Enterprise Company programme is a national competition. In teams of up to 15 students you can set up your own business for one year.

Young Enterprise will support you by providing a business mentor who will meet with you for one hour per week. They will help you to think through your ideas and help you make your business a success.

What you make, sell or provide is up to the group. Where and when you sell is also your decision. The school can offer you the chance to sell on site and Young Enterprise will offer you the chance to attend Trade Fairs.

In February you will write up your Interim Company Report for the competition in March. This is the story of your journey as well as a copy of your profit and loss accounts.

If your report is short listed you will be selected to attend the Area Final. On that evening you will have the chance to present your company to the judges at a stall, and tell your story during a five minute presentation.

Company Programme is hard work, and you should expect on average to spend 3 hours per week on it. However, you decide what happens with the profits!

In September there will be an initial meeting to launch the programme at which you can ask any questions and sign up to take part.

For more information about this opportunity please speak to Mrs Glanvill, Curriculum Leader for Business and Economics.
