

St Albans Girls' School

Reporting at KS4

In **Year 10**, students will receive a report card each term (three per annum)

Every report card will contain the **Most Likely Outcome (MLO)** grade and **Attitude To Learning (ATL)** for each subject. In addition to this, the **Target Grade** for each subject will also be given; this is generated with guidance from FFT. In the summer term, the final report card will also include an **exam result**.

In **Year 11**, students receive two report cards. One in the Autumn Term after their mocks and another in the Spring Term.

Similar to Year 10, the report card will contain **MLO, ATL** and their **Target Grade**.

In the Autumn term the students will also receive their **Mock result**.

Your child will be awarded an Attitude to Learning level as outlined below. We have high expectations of all students at STAGS and we expect **most students will receive a '3' for 'Meeting STAGS Expectations'**. Over the course of the year some students may demonstrate that they have exceeded these expectations and will be awarded a level 4.

For exemplary attitude students will receive a level 5 and will be invited to a Headteacher's celebration lunch in the summer term where they can share how they have exceeded expectations in a subject area.

5	Exemplary	Students who consistently meet the 'Exceeding' criteria
4	Exceeding STAGS Expectations	Students who, in addition to meeting the STAGS expectations, also: <ul style="list-style-type: none"> - engage in wider reading or extension tasks - attend support sessions for additional help - make a significant contribution to the learning or experience of other students
3	Meeting STAGS Expectations	Students meet high STAGS expectations of: <ul style="list-style-type: none"> - behaviour - punctuality - engagement - bringing all equipment to lessons - responding to feedback - following presentation fundamentals and completing classwork and home learning to a high standard - submitting home learning on time
2	Below STAGS Expectations	Students who fail to meet one or two of the expected criteria on more than one occasion
1	Serious Concern	Students who continually fail to meet the expected criteria

If you have any queries about your child's progress within a subject, please do not hesitate to contact their subject teacher. If your queries are more general i.e. across a number of subjects, please contact your child's Director of Learning.
