Mr Tansley **Assistant Headteacher Key Stage 4**

Context, Support, Expectations

- Our role is to support and guide students as they embark on their adult learning pathway
- Students need to adopt a positive attitude in class and organise their home learning effectively
- They are also expected to think for themselves and ask questions
- The capacity to understand, explain, interpret and evaluate is much more important
- These skills can only be developed if students show an interest in their work and a determination to succeed.

Our Curriculum Vision for Year 10

- Enabling all learners to achieve their potential
- Designed to encourage each Year 10 student to develop their intellectual and personal qualities to the full
- In Year 10 our students become more independent learners and take responsibility for their own progress
- Preparing for life post 16 it is our job to empower our young people to take charge of their future studies in a competitive world.
- Enabling students to leave Year 11 with the qualifications, skills and knowledge necessary for their next steps

Reading and GCSE success

There is a <u>significant</u> correlation between student reading ability and performance across all subjects at GCSE, which is just as strong in maths and science based subjects as it is in English.

There is more treasure in books than in all the pirate's loot on Treasure Island.

WALT DISNEY

Reading top tips for students

- Read newspaper articles (this could be in the form of physical newspapers, or reading articles online.) Talk to peers/family about these articles.
- Re-read set texts and make sure they fully understand the content.
- Research the context of the time for given texts (*An Inspector Calls, etc*).
- Read literature for pleasure. Create a glossary with new words whilst reading. Ask the librarians for recommendations of texts.
- Audiobooks this is not cheating!
- Book vending machine! (Not just for KS3!)
- KS4 Reading Fluency Project launching next week

KS4 Reading Fluency

Fluency is the ability to read a text accurately, quickly, and with expression. Fluent reading builds stamina for reading lengthy or complex texts. (An essential skill to access the entire curriculum!)

We will be identifying students who are not quite 'GCSE ready' in terms of their reading ability at this stage to have some top up support this term.

Students selected for reading support will be supported by either English staff or our highly skilled Literacy Teaching Assistant, Mrs Brown.

The support will last for 8 weeks with the aim of reading ability improving in this short space of time.

Maths Overview

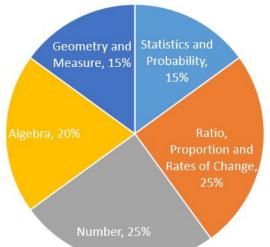

Distribution of Content - Higher and Foundation

Higher Content

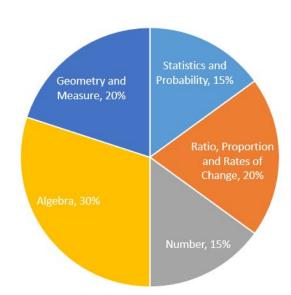

Foundation Content

Key Points:

- Nationally c. 45/55 split
- Students with low results on the Higher Paper are in danger of getting a U
- Students in the Grade 3-5 range often benefit from the reduced curriculum and more accessible exams for Foundation

Putting the Exams in Context

	9	8	7	6	5	4	3	2	1
Higher Grade Boundary	83%	70%	57%	45%	33%	22%			
Foundation Grade Boundary					77%	62%	46%	30%	15%
National Outcomes (2019)	4%	7%	10%	12%	18%	21%	13%	9%	5%

Higher tier - around 45% in the final exams puts students in the top third nationally; required for STEM A Levels

Challenge generally increases through the paper

Don't spend too long on any one question on the first pass-through; first do everything you can

Find time at the end to try ideas in the multi-step challenging questions; precious method marks are available

How to support

- Support and encouragement to build resilience
- Be Maths-Positive
- Encourage them to come to us with problems and the things they have tried to solve them
- Ensure they are doing their home learning and take an interest in what it is

- We care about how you feel and your safety at school so a member of the pastoral team will talk with them to find out more information
- Following an investigation, a decision will be taken by the pastoral team as to whether the behaviour is unkind behaviour or bullying
- Depending on the outcome, the following will take place:
 - Support for the victim
 - Clear communication
 - Active listening
 - Empathy
 - Availability of staff
 - Appropriate consequences issued
 - Restorative justice
 - The incident will be logged in school
 - Involvement of external agencies and the police as appropriate
