

Dear Parents, Carers and Year 11 Students,

**Sixth Form Open Evening: [Wednesday 8 November 2023, 6.00pm - 8.00pm](#)**

We look forward to welcoming you to our Sixth Form Open Evening and sharing with you a taste of life in our Sixth Form. Our aim, always, is to ensure every student journeys through Sixth Form with the support, enrichment and independence required for the wider world. We offer many opportunities, through our Step-Up programme as well as our Enrichment offering and our whole school leadership opportunities. We are excited for you to explore our new offering which is the T-Level in Education and Childcare; please find further information regarding T-Levels [here](#) and more guidance will be given on the Sixth Form Open Evening.

Our STAGS values inform everything we do across STAGS Sixth, and the whole school. Sixth Formers play an integral role at STAGS, as role models for all charity events, lead champions for climate change and embedding equality, diversity and inclusivity through everything we do. Our Sixth Formers are ambassadors for the STAGS ethos of passion and dedication, ready to take this beyond STAGS into the wider community.

Please feel free to ask our Sixth Formers any questions that you may have.

In the Sixth Form area, we will showcase an array of enrichment opportunities, our Step Up programme and the Speaker programme where you can find out what your Sixth Form life will look like. In our Library, we will have further information on Careers and Destinations support, relevant information for our external applicants as well as guidance on student leadership at STAGS. Colleges will have representatives available to discuss their courses and provision.
