S SUPPORT Helping each other thrive

T TRUST Being confident, resilient and reliable

A AMBITION Aspiring to be your best

G GENEROSITY Contributing to our community and beyond

S SUCCESS Knowing and recognising achievement

## Enrichment Rewards!

Remember that we encourage students in **Years 7,8 & 9** to take part in *at least two* clubs a week and those in **Years 10,11,12 & 13** to take part in *or lead at least one*.

These activities help to build various character traits linked to our STAGS Values and students can record these as skills developed on Unifrog.

The more recorded, the more House Points can be gained!
